Summary

I'm a self-learning **Front-end Developer**, I used to be a dentist, but I decided to do a career shift to become a Front-end Developer.

I can work efficiently on various types of projects, such as **HTML, CSS & JavaScript** projects, **React JS** projects, as well as **WordPress** projects.

Skills

- HTML, CSS & JavaScript
- React JS
- WordPress (Elementor)
- Bootstrap
- Jquery
- Json & API
- Git & GitHub

Education

Bachelor's degree in *Dental Medicine* – Cairo University - 2012.

Languages

Arabic: Native.

English: Full professional proficiency.
